## COUNTY IS NOT AFFECTED BY U.S. SAVE GAS ORDER

Adams countians will not be affected by the government's order to conserve gasoline—at least for the time being—executives of various oil companies in the county said this morning.

The oil company heads were interrogated as a result of an order issued today by the federal government to distributing companies, gasoline stations and others directing them to keep certain reserves on hand for emergencies. The order came as a result of a nation-wide strike of 22 unions which is slashing down production and distribution of gasoline.

Local oil dealers today said that if all supplies were cut off immediately, the county would have enough gasoline on hand to take care of normal usage for the next ten days, and that if efforts were made to conserve there would be enough gasoline for possibly three weeks.

At the same time they pointed out that supplies to the county have not all been cut off, and that apparently no matter what happens in the labor disputes some supplies will continue to come into the county.

A number of large refineries in the Eastern area are operating and will continue to operate unaffected by the general strike, local distributors said. From those refineries the county receives a large supply of gasoline.

Most distributors said they planned to continue to distribute oil and gasoline as before. One distributor pointed out that at this season of the year there are larger supplies on hand in the county than at any other time of the year. Most farmers have recently filled their home storage tanks with gasoline in anticipation of the plowing season.

## DISTRICT BOY SCOUTS LAUNCH FUND CAMPAIGN

Boy Scout leaders from sections of the Black Walnut District outside of Gettysburg launched their annual drive for funds Friday evening at a dinner meeting in the cafeteria of the C. H. Musselman Company plant at Biglerville. The campaign seeks to raise a part of the Black Walnut District's share of the \$40,000 sought in the York-Adams Area this year.

Dean W. E. Tilberg, former area chairman and now a member of the area council, presided with nearly 40 scouts and campaign workers in attendance. Entertainment was provided by a group of scouts from York who presented Indian dances in costume.

John E. Caldwell, the new finance committee chairman for the district; District Attorney Daniel E. Teeter, who has directed the funds drives for the last several years; Jack Watson, area scout executive, and William Smith, field executive, were among guest officials in attendance.

Community chairmen for the drive already selected with more to be announced include the following: Biglerville, Ralph Eckenrode; Arendtsville, David C. Houck; Gardnersville, Elmer Trump; Bendersville-Aspers, Roland Kline; Cashtown-McKnightstown, Donald Kuhn; Orrtanna, James Neely, and Fairfield, Merle Kittinger.

The drive for funds is to be completed during May.

## LIBRARY HEADS FOR NEW HIGH RECORD IN '52

Total book loans from the Adams County Free Library may go over the 100,000 mark in 1952 and set a new high record, Mrs. Mary S. Wilson, librarian, told members of the board of directors at their May meeting Friday evening at the main library on E. High St.

Her report for April showed a total of 13,455 book loans last month as against 12,268 in April of last year. April's figure brings the total so far this year to a new May 1 peak of 53,240. The May circulation, plus the four school months in the fall, is expected to push the total for the year above 100,000 in spite of the lower loan volume during the three summer months.

With Director William M. Lott presiding for part of the meeting until the arrival of Vice President D. E. Weinberger III, the directors increased the insurance on the contents of the building from \$12,000 to \$20,000 and decided to add extended coverage protection on both building and contents. The directors felt that the previous figure of \$12,000 was too low to cover the collection of about 17,000 books, including 3,000 on loan from the state, and the library's furnishings and equipment.

Added 169 Books  
The board received with regret the resignation of Mrs. Harold Larue, a director from York Springs, but took no action to fill the board vacancy. Mrs. Larue is moving out of the county.

Financial reports submitted by Treasurer L. S. Long showed the library has received \$500 from the Gettysburg Community Chest as the payment for the second quarter of this year and \$1,343.75 from the state as part of its annual grant. Bills for the month approved Friday evening totaled \$1,531.30.

In addition to circulation figures, Mrs. Wilson's report showed the library acquired 169 new books last month, 124 by purchases and 45 as gifts. Reference questions last month totaled 49, more than double the volume handled a year ago. There were 29 new users of the library registered in April and 362 miles traveled by the bookmobile.

The board meets next on Friday, June 6. Other directors present Friday evening included Mrs. E. B. Romig, Mrs. Kenneth Smoke and Mrs. Dora Ford and Mrs. Wilson, librarian and board secretary.

## Tomato Plants To Be Ready Monday

Tomato plants grown from selected seed will be ready for distribution to contract growers at the C. H. Musselman Company on Monday at Biglerville. Planting and spray services are also available.

Don Horst, crop supervisor for the company, warned that, desirable as early planting may be, "it is well to be reasonably sure that danger of frost is past. Even when frost is avoided, too early a start is a slow start. Little is lost by waiting a few more days. Plants mature in 65 to 90 days which gives plenty of time for growth to full ripened maturity." The company usually receives to-matoes well into October. The peak of deliveries always occurs around Labor Day.

Growers are being advised to plan their labor supply early.

Tomato plants are also made available at cost to company employees who purchased more than 25,000 last year for their own gardens.

## SET PRE-SCHOOL CLINIC DATES IN ADAMS JOINTURE

The annual pre-school clinic for children who will enter the schools of the Upper Adams Jointure in September will be held in the elementary centers next Wednesday, Thursday and Friday. Parents of children who will become six years of age before February 1, 1953, are urged to bring the children to one of the clinics if they plan to have them enter first grade in September.

The clinic will be conducted in the Bendersville School on Wednesday, in the Biglerville School on Thursday and in the Arendtsville School on Friday.

The clinic will furnish information which will be valuable to the school authorities in assisting the child with his school work. It will also enable the parents to better prepare their child for the adjustment to the school program. Readiness for learning tests will be administered on the above date, but psychological examinations, where necessary, will be conducted at a later date. The school nurses will be available to record the child's medical history but the physical examination will be delayed until September.

A parent should accompany the child to the clinic, if possible. If transportation is not available, the parent and child may use the facilities of the school bus traveling near their home. The birth certificate and vaccination certificate (if available) should be brought or sent to the school on the day of the clinic.

It will be to the parents' advantage to have their child attend the clinic because, according to a school board regulation, no child will be officially enrolled in school next September until he has been tested. The child's participation in the clinic will better enable the child, his parents, and the school to plan for him next year.

Letters have been mailed to the parents announcing the time arranged for their child's registration and testing. Any parents who may have been omitted from the mailing list is urged to notify L. V. Stock, supervising principal, or any of the principals in the elementary units and arrangements will be made to accommodate these cases.

Observance of Rural Mail Box Improvement Week last week brought some much needed improvements in rural mail boxes along the Gettysburg routes. Postmaster Lawrence Oyler reported to-day and similar statements on results in other parts of the county have been received from rural mailmen working out of other post offices in the county.

"Much yet remains to be done," Mr. Oyler said, "but our carriers say that a number of persons have put their names on their boxes, installed steady supports and set their boxes at the proper level and location to be served conveniently by the carriers. Some antiquated boxes have been replaced by modern mail receivers."

## ISSUE WARNING AFTER ACCIDENT AT COUNTY LINE

State police of the Gettysburg substation today warned motorists using the Harrisburg Rd. to drive slowly approaching the Adams-York County line north of York Springs. The State Highway Department has erected barricades and warning signs where repairs to a half mile of the road are under way.

The state police warning followed an accident at 9:20 o'clock Friday night when an automobile driven by Cpl. Filmore F. Perron, 20, enroute from Quantico, Va., to his home in Wiconisco, Dauphin County, struck a barricade and ran off the east side of the highway into the ditch.

Police said no one was injured, but damages to Perron's car amounted to \$500. According to police, other accidents have occurred on this stretch of highway under repair.

Car Hits Trailer  
The York Springs intersection chalked up another in its long series of accidents at 6:30 o'clock Friday night, state police said, when a tractor-trailer truck operated by George Anthony Panowitz, 33, of Baltimore, going south on the York Springs-Cross Keys road drove in front of a car operated by M. Sgt. Wesley E. Snyder, 35, of Easton, Pa., a Marine also stationed at Quantico.

Police said Snyder's car ran into the side of the tractor-trailer. John V. Lynch, 22, of Llewellyn, Pa., was treated by Dr. William E. Flickinger, York Springs, for superficial lacerations of his left arm. Damage to Snyder's car was estimated at \$650. Damage to the tractor-trailer was estimated at \$25.

## SOIL DISTRICT MEN WORKING ON FARM PONDS

Technicians of the Soil Conservation Service in Adams County report that construction of farm ponds is again under way as many farmers throughout the county are taking steps to supply themselves with spraywater and livestock water and at the same time put idle land to good use. They say that indications are that even more ponds may be constructed this year than the "more than 40" ponds built last year.

Some of the farmers who have started or completed construction of farm ponds are: Daniel Yingling, Gettysburg R. 3; E. D. and N. D. Blocher, Aspers R. 1; John Blocher, Hanover R. 4; Cliff Bucher, Aspers R. 1; Jonas Fleming, Fairfield R. 2, and LeRoy LeVan, Gettysburg.

Engineering surveys have been on pond sites for the following farmers: R. W. Smiley, York Springs R. 1; L. W. Hays, Wrensville; Burton Tuckey, Biglerville R. 1; Melvin Starner, New Oxford R. 2; Donald Ritchey, Fairfield R. 2; Raymond Smith, New Oxford R. 1, and Charles Helwig, Gettysburg R. 1.

Technicians wish to remind all farmers who have ponds that fertilization of these ponds should have been started by now. A commercial fertilizer which has an 8-8-4 analysis is best for this use. One 100 lb. bag should be enough for about three applications in the average sized pond and applications should be made every two or three weeks depending upon the needs of the pond. If a bright object which is held about 12 inches under the surface of the water is visible, an application of fertilizer is necessary.

## PARKING RULE NOW IN EFFECT

The new parking regulations on E. Middle St. went into effect today. An amendment to the parking ordinances adopted by the Borough Council on Monday limits parking to the north side of the street only, from the east line of the Methodist Church to S. Stratton St. All parking on the south side is prohibited.

"No Parking" signs were placed Friday, Burgess William G. Weaver said today, and police have been instructed to place warning tickets only on automobiles found in violation today. After today fines will be imposed, he said.

The new parking regulations were adopted at the request of the residents of the block involved, Burgess Weaver said.

Parking had previously been banned on the north side of E. Middle St. from Baltimore St. to the church, and on the south side from Baltimore St. to the alley east of the fire engine house.

Only parking allowed now in the first block of E. Middle St. is the half block on the north side.

## Littlestown 1,200 AT OPEN HOUSE FRIDAY AT HIGH SCHOOL

Approximately 1,200 people were present at the Littlestown Junior Senior High School on Friday evening for the annual open house, featuring a night of music. Of this number, at least 750 people packed the auditorium for the concert, in which over 200 students participated. At the beginning of the concert festivities, the curtain was opened and the members of the band, attired in their new uniforms, took their places on the stage. Following the opening selection, Supervising Principal Paul E. King spoke briefly and introduced Mrs. Marvin P. Breighner, president of the Woman's Community Club of Littlestown and vicinity. Mrs. Breighner, on behalf of the club members who initiated the band fund project and all those who contributed to the success of the venture, officially presented the uniforms to the high school as a gift from the community.

Sixty-eight students' uniforms and two directors' uniforms were purchased and \$4,258 was collected to pay the expenses. Mr. King also introduced the band director, Paul A. Harner, who expressed his appreciation for the gift of uniforms. Mr. Harner was directing his eighteenth concert at Littlestown High.

The program opened with four selections by the band and was followed by selections by the grade school group. It is hoped to form a junior band with this group and the uniforms previously worn by the senior band will be worn by the junior group. ## General Dodd Is Released By Red Prisoners In POW Camp

SEOUL, Korea, (AP)—The U. S. Eighth Army announced tonight that Brig. Gen. Francis T. Dodd has been released—in good health and good spirits—by Communist prisoners of war on Koje Island.

Dodd, then commander of prison camps on the island, was seized by Red prisoners Wednesday as he conferred with them at the gate of Compound 76.

An Eighth Army statement said the General's release came after a meeting of Communist ring-leaders of the compound. It was attended by prisoner leaders from other compounds on the island.

The conclave of Communist POW leaders came after Gen. James A. Van Fleet, U. S. Eighth Army Commander, made it clear he was preparing to use force if the General were not released unharmed.

The terms worked out at the conference of Reds were not immediately disclosed.

An Army spokesman said Dodd would be flown to Seoul tomorrow and would hold a news conference. The spokesman said also that correspondents would be allowed to visit Koje tomorrow. The island is 30 miles off the southeastern tip of Korea.

Dodd will spend the night with Brig. Gen. Charles Colson, who was appointed commander of the Koje camps the day after Dodd was seized.

Dodd was snatched Wednesday afternoon and dragged inside Compound 76, where 6,000 North Korean die-hard Communists are held. He and another officer, Lt. Col. Robert Raven, Newton, Tex., were standing by the wide, main gate of the compound, talking with leaders of the prisoners.

The pair evidently had been lured there by Communist leaders for a conference.

Suddenly the Red POWs grabbed Dodd and hustled him inside the compound. Raven managed to fight his way from the arms of the Reds and escape.

For three days, the Reds held Dodd prisoner, meanwhile negotiating with him for settlement of the prisoner's grievances.

American meals were passed in to the 52-year-old General and he was allowed free use of the telephone inside the compound. Over this telephone he asked camp authorities to refrain from using force to get him out until the Red leaders had completed a list of their demands.

Saturday morning the Army said they had granted some of the Red demands—"minor requests" which included use of a telephone, writing paper and the admittance of prisoner leaders from other compounds on the island. Approximately 80,000 Reds are held on the island—most of them are among the 70,000 prisoners who have said they will return to Communism.

Koje has been the scene of two bloody earlier prisoner riots. Crammed behind the barbed wire are many Red die-hards who demonstrate, shout and sing Communist songs.

On Feb. 18, a batch of Reds rioted and 75 prisoners were killed and 135 wounded as American troops opened fire to stop it. One American soldier was killed and 38 wounded. Dodd was named camp commander two days later. Another riot erupted on March 13 and 12 prisoners were killed and 26 wounded.

While the Reds held Dodd captive, Gen. Matthew B. Ridgway, on the eve of his departure for Europe, issued a stinging blast at the kidnapping. He ordered Eighth Army Commander James A. Van Fleet to use "whatever force is necessary" to get Dodd out.

The Red propaganda mills seized immediately on the incident and Ridgway's order.

North Korean General Nam Il, at the Panmunjon truce talks, charged the U. N. was preparing "another massacre" on the island.

## BULLETS THIRD IN MEET WON BY DIPLOMATS

Franklin and Marshall College nosed out Gettysburg and Dickinson to win the annual Little Three track and field meet here Friday afternoon.

The Diplomats scored 56½ points, Dickinson 49 and Gettysburg 48½. A Bullet record fell by the wayside when Les Eckman, a freshman, copped the high jump with a leap of 6-4. The old mark was set at 5-10 in 1939 by present coach Johnny Yovincin and was tied in 1941 by Howard Mizell.

Two additional first places were gained by the Bullets, Bob Hottle, former Gettysburg High star, won the shotput with a mark of 42-9¼. Carl Griesel sped home in 10:39.2 to win the two-mile run.

Again the Bullets were forced to participate without an entry in the pole vault.

Next Tuesday Haverford will meet by the Bullets here in a dual meet.

### Eastern League

By The Associated Press

As far as the Albany Senators are concerned, this should have been "George Uhazek Week" in the Eastern League.

The right-hander who won for Albany in relief Tuesday—his first day with the club—last night made his first start and allowed only four hits in handling the Elmira Pioneers a 2-0 whitewash. It was the first shutout this year for the Pioneers—and right in their home park.

The victory was the Senators' fourth straight and enabled them to stay just a game and a half behind the league-leading Reading Indians, who notched a 6-1 victory at Schenectady.

Meantime, the seventh-place Hartford Chiefs kept their first victory string of the season alive by downing the Williamsport Tigers 6-4 for their third straight. The home win put Hartford only a game and a half behind skidding Elmira.

In the other game of the evening, Scranton ousted Schenectady from fourth place by edging the visiting Binghamton Triplets, 9-8.

### FIRE AT READING

READING, Pa. (AP) — A \$55,000 fire gutted the former Rex Theater Building now owned by a manufacturing concern. Four scorched walls remained an hour after the blaze broke out in the basement Thursday.

## College Football To Be Televised Again

NEW YORK (AP)—Controlled television of college football will again be possible this fall under the National Collegiate Athletic Association program now being drafted.

It probably will be on a broader basis than 1951 even although the survey made by the NCAA television committee through the National Opinion Research Center showed that television does definite damage to college football attendance.

"This year's television will be spread among more colleges," said Bob Hall, Yale athletic director and chairman of the TV committee.

"The colleges acted with the full knowledge they are hurting themselves."

### Interstate

By The Associated Press

The York White Roses, given an assist by the first place Hagerstown Owls, today were in the first division of the Interstate League.

York swept the finale of a three-game series against Lancaster 4-3 last night, handing the Red Roses their seventh straight defeat. Coupled with Hagerstown's 6-0 whitewash of the Allentown Canaries, York moved into fourth place, a half game ahead of Allentown.

Wilmington kept hot on the heels of the front-running Owls, walloping Sunbury 10 to 6. The Blue Rocks are only one game behind Hagerstown.

Salisbury, a game and a half behind Wilmington in third, defeated Harrisburg 8 to 5 to keep the Senators in the cellar tied with Lancaster.

## ROOKIES RIVERA AND MIZELL ARE DISAPPOINTING

By RALPH RODEN  
Associated Press Sports Writer

The expected prides of St. Louis—rookies Jim Rivera and Wilmer (Vinegar Bend) Mizell—have fizzled so far in their bids for major league stardom.

Both recruits, touted during spring training as the probable rookies of the year in the American and National Leagues, have at times flashed the form that made them standouts in the minors—but not often enough.

Rivera, the 9-year-old outfielder of the Browns, has collected only 13 hits in 66 trips for a lack-luster .197 average. He has ridden the bench of late but was let out Thursday and came through with a game-winning homer against Philadelphia.

Mizell, the gangling lefthander of the Cardinals, has been the victim of the "big inning." The youngster, hailed as a "left-handed Dizzy Dean," sails along in fine style when all of a sudden he loses his stuff.

The prized pitching prospect lost his major league debut to Ken Raffensberger and Cincinnati, -1, when Joe Adcock socked a two-run triple in the first inning. The next time out Mizell had Chicago beaten, 3-2, going into the eighth inning when he blew up and yielded four runs to be charged with a 6-3 loss.

Mizell won his third start, 3-2, with a neat four hitter over Philadelphia but he failed again last night as the Cards dropped an 8-3 decision to the Reds and their old tormentor, Ken Raffensberger.

Indians in Lead  
The Cleveland Indians took over first place in the American League from the Boston Red Sox moved a half game ahead as the Red Sox dropped a 7-4 decision to the New York Yankees. The Indians' scheduled night game with the St. Louis Browns was rained out while the Red Sox dropped a half game behind.

Veterans Johnny Sain and Bobby Hogue, former Boston Braves stablemates, teamed up to stop the Red Sox. Sain drove in three runs on a homer and double before he left at the end of the seventh inning.

The Chicago White Sox won the longest game of the season as they defeated the Detroit Tigers, 5-5, in 16 innings at Detroit. Minnie Miroski tripled home two runs in the 16th and scored the third on Ed Robinson's single. The three runs were unearned as they were set up by Johnny Lipon's error.

Bobby Schantz Wins  
Detroit rallied in its half of the 16th, loading the bases with one out but Bill Kemmer ended the four hour and 27-minute battle by striking out George Lerchen and getting Johnny Groth to ground out.

Little Bobby Schantz pitched the Philadelphia Athletics to a 9-3 victory over the Washington Senators in the only American League night game.

Schantz permitted six hits in gaining his fourth triumph and the A's eighth.

HUNTINGDON, Pa. (AP)—Fifteen collegiate golf teams tied off today in the third annual Juniata College invitational tournament with Lehigh and Temple Universities as co-favorites.

The 36-hole medal tournament for four-man teams will be played over the sprawling American Legion Country Club at nearby Mt. Union. The layout carries a tough par 75. Six trophies will be awarded to team and individual champions for low medal score.

SHIPPENSBURG, Pa. (AP)—Eight of the 14 members of the Pennsylvania State Teachers College Conference had entries today in the league's annual track and field championships.

West Chester, the defending champion, and unbeaten Shippensburg were expected to walk off with a good share of the events but strong individual entries were on hand from Bloomsburg, Cheyney and Stroudsburg.

Other schools in the meet are Lock Haven and Millersville.

## Ed Oliver Holding Lead At Halfway

By GEORGE BOWEN  
WHITE SULPHUR SPRINGS, W. Va. (AP) — Ed Oliver really earned his nickname of Porky today by literally eating his way into the halfway lead of the 72-hole Greenbrier Open.

He certainly didn't shoot it in the second 18 holes yesterday. The veteran pro from Lemont, Ill., went over par 70 by a stroke and it might have been worse if he didn't quit during a violent rainstorm to feed his face.

When the 5-foot 9½-inch 220-pounder went into the rough at the eighth he was already three behind par. When he returned, the worst of the storm was over and the sun soon was shining again.

Oliver, who had a 81 in the opening round, lost another stroke on the 13th but then snared three birdies for a 71 and a 3-hole total of 132.

## Devastating New Atomic Gun Is Described By Frank Pace

NEW YORK (AP)—An atomic gun developed by the U. S. Army was described last night as an accurate and devastating weapon, providing field commanders with tremendous "finger-tip" fire power—and heralding a new era in the waging of war.

The description of this country's first atomic artillery weapon—a gun that can "hit its target under any weather conditions and give ground troops the kind of devastating close support never before available in warfare"—came from Army Secretary Frank Pace.

Pace said the new weapon "is essentially an artillery piece—but with immeasurably greater power than any artillery hitherto known."

Highly Mobile  
Such atomic weapons, he added, eventually will bring "significant changes" in the Army's traditional mission of engaging and destroying an enemy.

Pace spoke before a meeting of the National Wool Manufacturers Association.

Pace disclosed for the first time some of the weapon's specifications: It weighs about 75 tons but is highly mobile. It can travel at a speed of about 35 miles per hour on highways—

## FOREIGN AID IS CLEARCUT ISSUE IN GOP RANKS

By The Associated Press  
Republicans had foreign aid as a clearcut issue in their presidential campaign today while Democrats wondered anew if civil rights would split their party again.

The top contenders for Republican nomination—Sen. Robert Taft of Ohio and Gen. Dwight Eisenhower—were at sharp odds over the amount needed to finance assistance abroad.

Eisenhower, in a cable from Paris to Sen. Tom Connally of Texas, said a one-billion-dollar cut already proposed in Congress would hurt. "Any deeper slice off the \$7,900,000,000 asked by President Truman would endanger the nation's security," he said.

Taft promptly replied that even a slash of two billions would not imperil the program or U. S. security. After telling this to reporters, Taft said in a Hartford, Conn., speech: "I don't think the American people ought to run the world or would be good at it if they tried."

Connally, chairman of the Senate Foreign Relations Committee, had asked Eisenhower's views. He released their message exchange Thursday after Sen. Richard Russell of Georgia, who seeks the Democratic nomination as President, cabled Eisenhower. Russell wanted to know if the general thought \$5,900,000,000 approved by Connally's committee would cover the cost of European defenses.

President Truman told his news

conference Thursday he has not budged in support of the civil rights plank adopted four years ago by the Democratic Party. The resultant Southern revolt then cost Truman 39 electoral votes in the 1948 presidential race.

Key southern lawmakers, in view of Truman's pat stand, disagreed as to whether civil rights differences can be patched up. Sens. Burnet Maybank of S. Carolina and Walter George of Georgia said they expected a compromise and a united party by general election time. Sen. Harry Byrd of Virginia, however, said he sees little difference between the 1948 and 1952 situations.

Russell, in a press club speech sharply denounced proposals for a compulsory Fair Employment Practices Commission (FEPC), core of the dispute. FEPC would ban job discrimination against Negroes and other minorities.

Truman also told reporters he reserves his right as an American citizen to say who he would like as the next President. He declined, however, to express a choice at this time.

### To Train Candidates For TV Appearances

WASHINGTON (AP)—A school for presidency-seekers will open here today. Would-be senators are invited, too.

There will be only one course taught at this school: How to behave on television.

Bill Wood, director of TV news for the Columbia Broadcasting System in Washington, thought up the idea.

Wood says that schedules for private instruction are being arranged.

## CONVICT FOUR IN \$7,100 BANK HOLDUP TRIAL

PITTSBURGH (AP)—A Federal Court jury which listened to eight days of testimony took only four hours to convict four men of robbing the Johnsonburg National Bank of \$7,100 last Feb. 15.

The four listened impassively as the jury returned its verdict late Thursday. They are:

Anthony Avellino, 25, of Brooklyn, and Tony Asti, 46, his son, Frank, 24, and his son-in-law, Kenneth D. Croyle, 22, all of Johnsonburg.

The men were convicted on four counts—robbery of the bank, assault of a janitress, threatening the life of a cashier with a dangerous weapon and conspiracy to commit felony. The convictions carry a maximum penalty of 65 years in prison and \$35,000 fine.

Judge Owen M. Burns deferred passing sentence after defense counsel moved for a stay of judgment and asked for a new trial. Hearings on the motion will be held next month.

Judge Burns told the jury of 10 women and two men:

"I agree with you on every one of your findings."

As the judge spoke Avellino stared stolidly ahead but Frank Asti sat next to his attorney holding his head in his hands. Quiet sobs broke from the lips of women relatives as the jurors were polled and each answered in a clear voice that the findings were correct.

Avellino's bond was continued at

## Bishop Speaker At Church Meet

CARLISLE, Pa. (AP)—The real success of a church is in spiritual results instead of a balanced church budget, says the Rt. Rev. John Thomas Heistand, bishop of

\$50,000. Bonds for the other three men were increased from \$15,000 to \$25,000. Bond for Thomas D. McMahon, 23, of Johnsonburg, who pleaded guilty to receiving \$15 of the stolen money, remained at \$5,000.

McMahon testified for the government. He could be given a maximum sentence of 10 years and \$5,000 fine. All are being held in Allegheny County jail pending bond arrangements.

Avellino was accused of being one of two gunmen who entered the bank and committed the actual holdup. The FBI is still searching for a second gunman.

The Astis and Croyle were accused of conspiracy to aid the two gunmen and helping them in their getaway. They admitted driving two men to Buffalo, N. Y., after the holdup but said they did not know them.

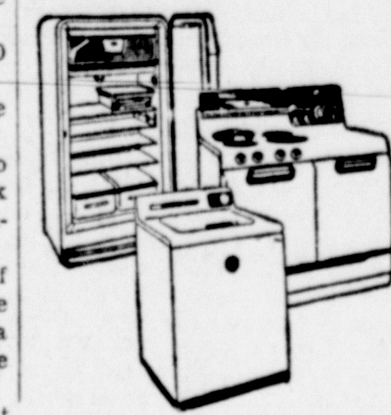

the Harrisburg Episcopal Diocese. Rev. Heistand told the 48th annual diocesan convention that many laymen are more interested in balancing their budgets instead of "spiritual results that God is giving."

Ministerial and lay delegates from the 83 parishes and missions in the diocese ended their annual meeting here Wednesday. The diocese includes most of Central Pennsylvania.

All current diocese officers were re-elected at a business session Tuesday. They include: The Rt. Rev. John H. Treder, Hershey, secretary; Lesley McCreath, Harrisburg, treasurer; Robert Lee Jacobs, Carlisle, chancellor, and the Rev. Charles Berghaus, Columbia, registrar.

WASHINGTON (AP)—Price Stabilizer Ellis Arnall Friday asked Congress to change the Capehart Amendment quickly and prevent "unwarranted increases" in prices of food and other cost-of-living items.

Arnall said that unless the lawmakers act he will be compelled to boost ceilings because of a court decision that the amendment applies to all distributors.

# These Precious Lives

Will you ever forget the look on your son's face as he handed his mother a tiny plant for Easter? And the look on your wife's face when she thanked him? How your little girl paraded in her new Easter outfit? How proudly you went to church?

Easter—the season of life and hope!

Protect these precious lives. Don't mar your family's well-being and happiness by needless tragedy. Instill good pedestrian safety habits in your children—and follow them yourself!

Obey traffic signals and marked cross walks when crossing streets or highways. Cross only at corners. Don't dart into the street from between parked cars. Don't jaywalk. Look both ways before crossing a road. Teach your children to play in safe areas—away from traffic. Walk facing traffic on a country or suburban road. Carry a flashlight if you have to walk on a rural road at night.

Simple rules—but they will help to protect your most precious possessions—the lives of those you love!

A message in the interest of highway safety is one of a series prepared and disseminated by the Pennsylvania Newspaper Publishers' Association and the Pennsylvania Department of Revenue.

EISENHOWER TAKES STAND ON AID BILL

WASHINGTON (AP)—Gen. Dwight Eisenhower told Congress Thursday that he would create such difficulties that a drastic revision of the whole program might well be indicated and might therefore endanger the proposed military build-up now visualized and which I consider essential in the interest of U. S. Security.

Only an hour before Connally released the Eisenhower message, Sen. Russell (D-Ga.), chairman of the Senate Armed Services Committee, sent a message to Eisenhower asking him whether he thinks the \$6,900,000,000 voted by the Connally committee would be adequate for this nation's defenses.

Russell is a candidate for the Democratic nomination for President. Eisenhower is a candidate for the Republican nomination.

**ANNIVERSARY NEAR**

CARLISLE, Pa. (AP)—The Harrisburg Diocese of the Episcopal Church will hold its 1953 convention at Lancaster's St. John's Church which will be celebrating its 100th anniversary.

The convention site was chosen as the 1952 convention closed here Wednesday with the election of 8 deputies to the triennial convention of the Episcopal Church in Boston, Sept. 7-19.

But he did say that any cut "would be heavily and seriously felt."

The foreign relations committee has voted to cut a billion dollars from Truman's requests. The House Foreign Affairs Committee hopped off another 100 million.

Quarried By Russell

Eisenhower said in his cable to Connally that "any cut materially greater" than the billion dollar reduction voted by his committee
